# PANIHATI MAHAVIDYALAYA

NAAC ACCREDITED, Affiliated to West Bengal State University Barasat Road, P.O. - Sodepur, Kolkata - 700110

PROSPECTUS 2021-2022

### FROM THE PRINCIPAL'S DESK

Panihati Mahavidyalay is a co-educational academic institution situated on Barasat Road,

Kolkata 700110. The college is located in the vicinity of Panihati Municipality and Barrackpore Trunk Road. It is well connected to Kolkata and the North 24 Parganas by bus and rail routes. The humble beginnings of the college go back to the year 1974, when Panihati Municipality generously made a donation of one acre of land for establishing a degree college. The foundation stones were laid by the then chief minister, Siddhartha Sankar Roy, on 3rd February, 1974, with a view to open a gateway of higher education for local boys and girls.

Sri Tapan Chattopadhyay was the first Founder-Secretary of the institution. The origins of the institution were truly modest. Initially, classes were held inside makeshift classrooms of a building that was still being constructed. Benches and desks were often borrowed from nearby schools during the time of examinations.

Panihati Mahavidyalaya became affiliated to the West Bengal Council of Higher Secondary Education in July, 1976. Teachers from local schools and university postgraduates offered their benevolent service to teach in the Higher Secondary Section. In 1978, the institution was granted affiliation by the University of Calcutta for offering degree courses in B.A. (General) and B.Com. (General) alongside the existing Higher Secondary section, in the following subjects: English, Bengali, Political Science, History, Economics, Philosophy and Mathematics. It was conferred the status of a degree college by the West Bengal Higher Education Department on 1<sup>st</sup> July, 1990 (w.e.f. 1<sup>st</sup> July, 1989), thereby becoming a Government-aided college recognized under section 2 (f) and 12 (b) of the UGC Act 1956. Consequently, all existing full-time and part-time teaching and non-teaching staff of the institution were brought under the pay-packet scheme of the Government of West Bengal.

The institution, which is now affiliated to the West Bengal State University, offers several Honours and General courses in the Arts, Science and Commerce streams. There are 15 Honours subjects and 20 General subjects.

Several developments have come about in recent times. With financial aids from MLA LAD and MP LAD funds, Panihati Mahavidyalaya has built, in the past few years, a seminar hall with digital facilities and a high-end virtual smart classroom. A WiFi facility with high-speed internet is also available. The Central Library of the college has been upgraded and is now managed

through the open-source Integrated Library System, Koha. Library space has been increased with the addition of an adjacent room. CCTV cameras have been installed inside the campus for surveillance and as a security measure. Solar inverter is available for harnessing solar power and for providing electric backup. Lift has been installed in the Science Building. Water purifiers are installed at several places of the college for use by students and staff.

The major sources of institutional funding are grant from the Government of West Bengal, UGC grant, and student fees. The college also receives occasional grants from MP and MLA funds. The college has been effectively dispensing various scholarships provided from the Chief Minister Relief Fund to financially poor students and SC/ST/OBC minorities. One Concession on tuition fees is provided to needy students. The college ensures that female students benefit from the 'Kanyashree Prakalpa' which seeks to improve the status and well-being of girls, specifically those from socio-economically disadvantages families.

A combination of traditional and contemporary pedagogical approaches towards education is the hallmark of this institution. The traditional classroom-lecture pattern is supplemented with the use of the latest technologies. This includes the regular use of PowerPoint presentations, screening of relevant films and documentaries, and the occasional arrangement of video-lectures and video-conferences in the virtual classroom. The teaching-learning process is made interactive through coordination of debates, extempore speeches, academic presentations, quiz, etc. This facilitates greater understanding and provides a participatory space for students.

In a world dominated by virtuality and visual simulation, in order to make teaching more apposite and contemporaneous, digital technology is unavoidable. Keeping itself updated about the latest available technologies, Panihati Mahavidyalaya also ensures that the process of learning is grounded firmly in the reality of everyday life, and that it produces knowledge that is useful and practical. To this end, educational tours and excursions are arranged from time to time. The whole idea behind these endeavours is to promote originality of thinking in the students and provide them with necessary guidance.

Students of different economic and social backgrounds take admission in this institution. They are all united by the common causes of education and learning. The tireless pursuit of learning on the part of the students and the ever-active zeal to educate on the part of the teachers, have made it possible to create an atmosphere of equality and shared values in which true merit is recognized, nurtured and upheld. It is our belief that the goal of education is not to impart bookish knowledge but to enable the students to think independently, and help them understand, as citizen, their responsibility towards society.

The professional as well as the ethical considerations are held important by out institution. Students are prepared in such a way that they are able to face and overcome challenges when they enter professional and academic fields, after completing graduation: they are equipped with practical knowledge of the subjects they have studied. Many students from our institution enroll at the Masters level at universities after they graduate. Many of our students go on to prosper in their respective fields, securing jobs at the levels of both government service and private sector. Although our institution is primarily dedicated to promote the cause of education, it values and nurtures talents in the students, through regular organization of different cultural programmes and sports-related activities. With the upcoming Choice Based Credit System (CBCS), there will be major structural changes in the curricula and their implementation. The faculty members and the staff are ready to ensure a smooth and effective implementation of the new system.

The college has a Governing Body, Teachers' Council, Academic Committee, IQAC Team and other subcommittees. All these bodies are supportive about smooth functioning of the college. The college has a research committee for monitoring and encouraging teachers for pursuing research. Besides the minor project from the UGC, there are major research projects with different sources of funding, such the ones undertaken by the Department of Zoology.

Various programmes are organized by NSS unit from time to time, such as organising blood donation camps, health check-ups, Womens' Day celebration, preventive awareness programmes, tree-plantation programmes, community outreach activities, etc. Cultural programmes involving the participation of students and staff are occasionally held. The college has made a MOU with the National Skill Development Corporation regarding skill development training in Modern Office Management, IT Help Desk Assistant, Domestic Data Entry Operator, Field technician, Certificate in A.C Servicing, Beautification and Makeup Artist Professional Courses.

I would like to acknowledge the contribution and dedicated efforts of individuals from all walks of life and faculty members, all office staff and students who deserve full credit for these numerous achievements and developments. I extend my heartiest gratitude to all who have been extending their support constantly to the institution. Moral education means development of right emotion, character and actual values, and formation of good habits covering all aspects of one's personality – moral, physical, social and mental.

Dr. Mukti Ganguly

(Principal) Panihati Mahavidyalaya

#### CBCS Courses and Distribution in Different Semesters for Undergraduate (Honours Courses)

The CBCS course will comprise of the following:

**1.** Core Course: A course, which should compulsorily be studied by a candidate as a core requirement of the chosen discipline(s) is termed as a Core course.

**2.Elective Course**: Generally, a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables an exposure to someother discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course.

**2.1 Discipline Specific Elective (DSE) Course**: Elective courses may be offered by the main discipline/subject of study is referred to as Discipline Specific Elective. The University may also offer discipline related Elective courses of interdisciplinary nature (to be offered by main discipline/subject of study).

**2.2 Dissertation/Project**: An elective course designed to acquire special/advanced knowledge, such as supplement study/support study to a project work, and a candidate studies such a course on his own with an advisory support by a teacher/faculty member is called dissertation/project.

**2.3 Generic Elective** (GE) Course: An elective course chosen generally from an unrelated discipline/subject, with an intention to seek exposure is called a Generic Elective. P.S.: A core course offered in a discipline/subject may be treated as an elective by other discipline/subject and vice versa and such electives may also be referred to as Generic Elective.

**3.** Ability Enhancement Courses (AEC): The Ability Enhancement (AE) Courses will be of two kinds: Ability Enhancement Compulsory Courses (AECC) and Skill Enhancement Courses (SEC). "AECC" courses are the courses based upon the content that leads to Knowledge enhancement. These are mandatory for all disciplines. SEC courses are value-based and/or skill-based and are aimed at providing hands-on-training, competencies, skills, etc.

**3.1 Ability Enhancement Compulsory Courses (AECC)**: i) Environmental Science, ii) English Communication/MIL Communication (MIL stand for Modern Indian Language).

**3.2 Skill Enhancement Courses (SEC):** These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge.

The University also has plans for Introducing Research Component in Under-Graduate Courses at a later stage of the implementation process. (Project work/Dissertation is considered as a special course involving application of knowledge in solving / analyzing /exploring a real-life situation / difficult problem. A Project/Dissertation work would be of 6 credits. A Project/Dissertation work may be given in lieu of a discipline specific elective course.)

# ADMISSION CRITERIA

#### 1. Admission Qualifications:

A candidate who has passed the Higher Secondary (10+2) or its equivalent examination is eligible to seek admission to the First Semester of the Six Semester B.A./B.Sc./B.Com. (Hons and Genl) or B. A. Music. (Hons. and Genl.) Course of studies provided he/she has also passed in English having full marks not being less than 100. In any case, where there is an ambiguity regarding the admissibility of a particular examination at the Higher Secondary (10+2) level of study, the matter shall be referred to the Equivalence Committee of the University who shall determine the eligibility of the said examination.

However, no candidate, in general, shall be allowed for admission after a lapse of more than 3 years from the year of passing the previous qualifying examination Those desirous to do so will seek permission from the University Authority.

The year of admission shall not be taken into account while calculating 3 years from the year of passing the previous qualifying examination.

However, in exceptional cases a candidate, may be allowed for admission after 3 years of the previous qualifying examination but within 3 years after discontinuation of a recognized regular Course of Study. Those desirous to do so will seek permission from the University Authority.

For the purpose of determining eligibility for admission to the Honours Course, aggregate marks shall be calculated by adding the marks of **top four subjects in order of marks secured by a candidate**. However, marks in compulsory Environmental Education/Studies shall not be taken into account for calculation of aggregate marks. If the subject "Environmental Science" is studied as an elective subject of 100 marks, it may be taken into account for the purpose of determining the aggregate marks.

#### 2. Eligibility Condition:

#### a) A candidate taking up Honours Course in a subject must have obtained:

i. A minimum of 50% marks in the aggregate and 45% marks in the subject or related subject at the previous qualifying examination. In case of B. Mus. (Hons.) 45% marks in the aggregate and 45% marks in the subject Music in the pre-qualifying examination.

#### OR

ii. 55% marks in the subject or related subject at the previous qualifying examination.

#### OR

iii. 50% marks in the aggregate when the candidate has not studied the subject in his/her previous qualifying examination provided all the other clauses are satisfied.

However, if in any Honours subject, the number of applications is so low that even the permitted intake of the college cannot be filled up, then the Principal may use his discretionary power to reduce the minimum requirement for admission in that subject. A written note in that respect should reach the Registrar for consideration of that decision for a final approval by the University and the decision will be communicated to the Dept. of Higher Education, Govt. of West Bengal for information.

b) However, candidates belonging to the Scheduled Caste or Scheduled Tribe Community taking up Honours Course of study must have obtained a minimum of 40% marks in the aggregate and 40% marks in the subject or related subjects at the previous qualifying examination, as the case may be.

#### 3. Candidates from other Boards

a) Students, who have passed the Higher Secondary (10+2) examination or its equivalent from the All India Boards/Councils or State Boards/Councils including Open Schools and vocational studies, are eligible for study at the UG level.

b) Students who have passed the Higher Secondary (10+2) examination or its equivalent from the All India Boards/Councils (i.e. CBSE, ISC and National Institute of Open Schooling) are not required to submit the Migration Certificate for getting Registration under this University.

c) Any dispute regarding eligibility criteria would be resolved by the Equivalence Committee set up by the University or by the Executive Council in its absence.

# ADMISSION NORMS

As per rules of the Government, the University and UGC, 22% seats are reserved for S.C. candidates, 6% seats for S.T., and O.B.C.-A, 10%, O.B.C.-B 7% and 3 % seats for P.H. students for all the courses.
